The Care Bears are a group of multi-colored bear characters. The original artwork was painted by artist Elena Kucharik for American Greetings Corporation, LLC in 1981 to be used on greeting cards; but the characters were later used for toys, and in TV programs and films.

Each Care Bear comes in a different color and has a specialized insignia on its belly that represents its duty and personality. This insignia was known as their "tummy symbol." However, the movie Care Bears: Oopsy Does It! renamed them "belly badges." Adding to the Care Bear family are the "Care Bear Cousins", which feature a lion, rabbit, penguin, raccoon, monkey, elephant, pig, dog, cat, and other such animals created in the same style as the teddy bears.
