Kipper the Dog

Educational Potential – Good (4).

Positive messages - Many good (5).

Language – Good (4).

Why is the mischievous yet loveable dog called Kipper so important? Well, maybe it's because he has helped millions of pre-school children learn to read, selling over 8 million books in the process. Well done Kipper! He's also starred in his own TV animation show as well as appearing on a range of merchandise.

If reading these books to, and with, your children is still one of your happiest memories, then see how much you can remember today by taking our Kipper the dog quizzes. What color is Kipper the dog? Which appropriately named writer created the Kipper series of books? Where, oh where, was Kipper's bear? Get ready to answer the questions, but do watch out for the red herrings!
