LEGO Ninjago

Educational Potential - Good.
Positive messages - Many good .
Language - Good.

Ninjago started in late 2010/early 2011 with two pilot episodes (later split into four) and a wave of Lego sets, focusing on the ninja's battles with the Skulkin army. The pilot episodes' plot was about the four ninja, Kai, Master of Fire, Jay, Master of Lightning, Cole, Master of Earth, and Zane, Master of Ice. They are brought together by Sensei Wu to form a team to stop the evil Lord Garmadon and his skeleton army.

Long before time had a name, Ninjago was created by the First Spinjitzu Master by using the Four Elemental Weapons of Spinjitzu; weapons so powerful, no one can handle all of their power at once. When he passed away, his two sons swore to protect them, but the oldest, Lord Garmadon, was consumed by darkness and wanted to possess them all. A battle between brothers broke out and Lord Garmadon was struck down and banished to the Underworld. Peace returned to Ninjago as the younger brother, Sensei Wu, hid the elemental weapons in the far corners of Ninjago.
