

# SOUND ADVENTURES

36 leveled picture book readers | Each book is focused on a single phonics element

Picture glossary with word study activity | Parent and teacher tips

Sound Adventures, children's book collection with a phonics twist, is a collection of leveled phonics readers. Each book focuses on a single phonics element, and includes a picture glossary with activity directions, definitions, and a pronunciation guide. The leveled readers in Sound Adventures increase vocabulary, while building phonics skills and developing text comprehension strategies. With engaging story and colorful illustrations that bring the plot and characters to life, each book also has teacher and parent reading support materials on the inside of the cover. Sound Adventures build critical foundational skills, and are a perfect curriculum supplement for your early childhood literacy collection.
