WordWorld is an American CGI animated television series that debuted on PBS Kids. It was created by Don Moody, Jacqueline Moody, Peter Schneider and Gary Friedman. WordWorld was produced by The Learning Box and WTTW-TV. The series premiered on September 3, 2007 and ended on January 17, 2011 with 45 episodes and 3 seasons.

WordWorld - Children's educational television shows that show on PBS. WordWorld revolves around WordFriends and WordThings, characters and items made from the letters that write them in the correct order. For example, a shed made of letters shed, and a cake from the cake, shaped so that they actually looked like a barn or a pie - this rule extends to animals that are intelligent characters on the show. WordThings can be assembled and dismantled during the show characters who use the items in their adventures and solve their problems.
