LIST of Episodes

1. A Friend Missing

Meet the gang of 5 that will be taking you on some great adventures. One of them, unfortunately, goes missing. Paula, Billy, Chalky and Tim discover they have to go to the jungle in search of Calc. There, they encounter crocodiles and a totem head. Will they succeed in their quest?

2. Treasure Hunting

Ship Ahoy! The children pretend to be pirates, and the game ends up leading them to Treasure Island, where they would meet a real, rather scary pirate! Captain Redbeard has their golden (or is it rubber?) duck. Will he keep his word and return it to them if they do his bidding?

3. Sea Toy Story

One of Paula's sea toys is missing. The children have to dive into the depths of the mysterious Underwater World in order to find it. An eight-legged sea animal helps them out and they get to meet an enchanting sea creature that many have read about in stories but few have seen.

4. Cupcake Gone

Paula's mum has baked some cupcakes but one of them is missing! Has someone eaten it or is it in Candyland? The gang goes in search of it in the land of their dreams! Surrounded by cotton candy bushes and jellybeans, will the kids be tempted by the sweets or will they march on and complete their mission?

5. Who's Got Our Apple?

Join the kids for their first picnic! Before they can begin, though, they have to find their missing apple. They travel to the Big Garden, where they meet the magical Garden Gnome. He sends them on a mission that shows them the beauty of Mother Nature. Will he also help them get their apple back?

6. Moo, Moo, Where Are You?

While pretending to be a farm girl, Paula loses one of her toy cows. Where else can it be but at the Farm? The adventurous five become farmers for the day. They help gather sheep and look for food to feed some real-life cows. Moo!! What an experience! But...how will that help them in their quest?

7. Candy for Thought

Tim brings in a bag of candy, overexcited to share it with the rest of his friends. Paula is a little concerned that Tim might be enjoying candy a little more than he should. After receiving an invitation card from Candy Cane Man, the children make their way to Candyland for a supposed surprise. Will it be more candy like what Tim expects? Or will it be something that holds a little more meaning?

8. Help a Hand

While Paula and friends are doing some warm-up exercises, clumsy Chalky falls and his right arm drops off. The children go to the toy factory to find a mechanic that might be able to help fix Chalky's arm. The President of the toy factory gives them a mission, which requires them to find robots and toy blocks, and a robot will fix Chalky's arm.

9. One-Armed Cactus

Paula bought a cactus for Tim and herself, but she lost the one she bought for him. They decide to travel to the desert to find this one-armed cactus. They meet a mysterious Uncle Sphinx, and ask for his help. But first they have to solve a riddle, before they can find the one-armed cactus. Will they succeed?

10. The Eighth Crystal

Paula borrowed a box set of eight crystals from Mr. Astronaut who visited her school. Unfortunately, she lost one crystal. Paula and friends decide to travel to the 8th planet from the sun to find the missing crystal. They meet Mr. Astronaut who provided them with jet packs to look for the crystal. But first they have to find the valley with eight craters.

11. School of Thieves

Paula wants to buy flowers for Mum's birthday but is short of one coin. Take a plunge into the underwater world, where helping Mr Octopus build his shell garden helps them earn their last coin, only to have it snatched away by a school of fishes! Can they find it back and buy the flowers?

12. Hopscotch Hazard

A game of hopscotch and a lost beanbag lead the children into the amazing world of Treasure Island where they help Captain Redbeard the pirate fill up his treasure chest with rubies and diamonds in order to get their beanbag back. Can they find the gems for Redbeard and finish their game?

13. Easter Egg Hunt

The Easter egg hunt is here again! What happens when an egg goes missing the day before the hunt? Join the gang as their search brings them to Candyland, where they must help Easter Bunny and find the right baker. Can they recover their egg in time for the Easter hunt?

14. Horsing Around

Paula wishes to ride a horse, and the kids visit the Farm after reading her new book on farm animals and shapes. Helping a forgetful Mr Farmer find his missing tomatoes and Daisy the cow, sends them on an adventure of recognizing shapes in animals and objects all over the farm. But will Paula get her wish to ride a horse?

15. Campfire Thrill

It's campfire time again! The kids are packing but a spoon goes missing. Join them in an adventure of lost and found in the Garden, where the Garden Gnome teaches them a precious lesson about taking care of nature.

16. Beautiful Butterflies

Tim has a class contest! Find caterpillars that will hatch into the biggest butterflies and win. Join the kids as they journey into the exciting jungle world, where they must feed Totem Head in order to find the clue for the caterpillars. But can they find enough bananas to feed a very hungry Totem Head?

17. Tim's Juggling Trick

Tim wants to show Paula his juggling trick, but one of his juggling balls is missing. Paula and friends search for Tim's missing ball in the desert. Watch as Paula and friends learn to match and sort through the merchant's messy stall before coming face to face with the Sphinx.

18. Special Delivery

Paula and friends find extra lollipops, delivered to their playroom by mistake. Who do the lollipops belong to? Paula and friends make a trip to Candyland. They visit Mr. Baker at his home on Chocolate Chip Lane to find clues on the lollipops' owners.

19. Bedtime Stories

Mr. Astronaut wants to borrow 7 books from Paula. The books have to be about animals. Paula and friends try to find 7 such books to lend Mr. Astronaut. Along the way, they encounter sleepy aliens who have a bedtime situation. Can Paula and friends help them?

20. Egg Run

Chalky accidentally cracks the eggs meant for baking Paula's cake. Paula and friends head to the Farm to get fresh eggs from Mr. Farmer. They help Mr. Farmer rein in his escaped horses and also learn about comparing between big and small numbers.

21. Snakes and Shapes

Paula has a fun new toy - a snake-shaped puzzle with lots of different shapes to be fitted in. But one of the pieces has gone missing. Paula and friends go to the Toy Factory to find a replacement. They encounter a robot with many mechanical arms and learn about different shapes, colors and patterns.

22. The Magic Beans

Paula and friends discover mysterious magic beans that have replaced some green beans they want to grow. On a mission to solve the mystery of the beans, they travel to the garden to look for the Garden Gnome to search for answers. It appears that he is the owner of the magic beans. They help him find the beans by counting and spelling, finally retrieving their own missing green bean.

23. Search for New Fruits

Paula's teacher has asked her to draw a picture of interesting fruits, but she only has durians drawn so far. Spurred by the curiosity to taste and draw more interesting fruits, they go to the desert to search for some. Along the way, they encounter the Sphinx and the Merchant, whom they solve riddles and learn to barter with, in order to complete their mission to find the new fruits.

24. Pirate Alert

Paula and friends are playing pirates when a large wave hits their ship. Paula finds her favorite seashell is missing from her necklace. They search for it on Treasure Island. Captain Redbeard tasks the children to count and spell the number Nine to get the necklace back.

25. Home Builders

Paula and friends are building a house out of building blocks. They find that they are missing 2 wooden square blocks to complete the house. Paula and friends head for the Toy Factory to get the blocks. They meet the President of the Toy Factory and help his Toy Robot workers.

26. A Race to the Finish!

Tim shows Paula and friends his parents' collection of old coins from the sea. Among the coins, they find a curious and seemingly new coin with the insignia of a mermaid. In a bid to solve the mystery of the coin, they travel to Underwater World to learn of its origin, but are pulled into a race with the sea animals. They finish the race and learn the mystery of the coin.

27. The Blue Baron

Paula and friends go up in the sky to look for Paula's missing kite. Their hot-air balloon brings them to Cloudland, where they meet the amazing pilot, the Blue Baron. Paula and friends use clouds of different shapes to form new objects. Mrs. Cloud returns them the lost kite.

28. Calc's Mission

Calc has gone to Candyland. He leaves a note asking Paula and friends to look for him at Mr. Baker's bakery. Mr. Baker needs their help to decorate the cakes and bake cookies. The children learn to count and spell eight. They later find out the special surprise Calc was working on.

29. Let's Build a Robot

Paula and friends are building their very own toy robot using robot parts. After assembling the parts together, they count and realize their creation is missing an arm. The robot is incomplete! Determined to find a robot arm, they visit the Toy Factory in hope to complete their mission. They meet a robot who gives them work to help with in exchange for a new robot arm.

30. The Sky Cup

The Blue Baron invites Paula and friends to participate in the Sky Cup, a flying race to find out who is the fastest in the sky. The competition is fierce with the Blue Baron, and Paula and friends going neck and neck. They pass the check-points and spell from one to five. Who will win the race?

31. Pastries and Flowers

Paula does not have enough vases to keep her fresh sunflowers. Paula and friends visit Mr. Merchant in the desert, hoping to get the vases from him. But he is busy with his pastry business. He promises to look for the vase, if they can help bring more trays of pastries from his house. Will Mr. Merchant reward them with a vase in return?

32. Baby Monkey Spells

A heavy thunderstorm has caused a flood in the jungle. Paula and friends find a lost baby monkey with an amazing talent - it knows how to count and spell! They help the baby monkey find its family, and rescue other lost animals along the way. How many animals can they save?

33. The Missing Glove

Paula's mother has new pairs of gloves for everyone. But Paula finds one of her gloves missing. With the clue of a white feather, Paula and friends head to the farm. They find Mr. Farmer, with his dog, Woofie, preparing to shear the sheep. They help Mr. Farmer by counting and guiding the pairs of sheep for shearing. Will they be able to find the missing glove?

34. Moon Shapes

Paula and friends find 11 pictures of the moon in a book. According to the book, the moon looks different at various times in the month because some part of it is in shadows. They decide to find out more from Mr. Astronaut and heads to Outer Space. They have an exciting time in space avoiding 11 meteors.

35. Water, Water, Where Are You?

It has been raining non-stop and Paula and friends are bored. They decide to travel to the desert so they can play outdoors. However, they go there without packing something very important! Without it, they feel weak and tired... Who in the desert will help them? Will they be able to find this thing they need so badly?

36. Counting Sheep

Tim is feeling very, very tired because he has been having trouble sleeping. Paula teaches him to count sheep to help him fall asleep. However, one sheep is missing. The children find themselves in Cloudland hunting down the missing sheep. Will Tim finally be able to sleep again?

37. Where's the Wheel?

Paula and friends are having a race using toys with wheels. They notice one of the toy cars is missing a wheel, which prompts them to search for a replacement at the Toy Factory. At the factory, they complete tasks for robots to gather toy car parts. They learn how a new toy car is built from scratch and find the missing wheel in the new car!

38. Balloon Chase

Paula and friends want to make Calc float in the air with balloons, but they need one more in order for him to stay afloat. Checking their packet of balloons, they realize one is missing! They head to Cloudland on a sky race adventure with the mysterious Blue Baron to find the balloon.

39. Lights in Outer Space

Paula and friends play pretend astronauts exploring outer space! Tim uses his toy spaceship to begin their adventure, but they notice a light piece is missing! On a mission to retrieve the missing light piece, they head to Outer Space, in which they meet Mr. Astronaut and gather glowing rocks in return for clues.

40. Kites and Bows

Paula and friends are decorating kites with bows when Tim notices his has lesser bows than Paula's. Since they are out of extras, they fly to Cloudland on a hot air balloon to search for one more bow. They meet the timid and lost Mr. Bird, whom they help return to his flock along the way. Following Mr. Bird's clues, they traverse the skies in search of the bow, but fail in their mission.

41. Baby Turtle Shell

Paula shows her friends the sea shells she collected on her trip to the beach, to which they use as musical instruments. To their surprise, they find a baby turtle among the sea shells! The children head to Underwater World on a quest to return the young turtle to its family, using clues from Miss Mermaid and her magical musical stringed shells to find the turtle family. Will they succeed?

42. Find the Picnic

Paula and friends prepare sandwiches to take to Mr. Gnome's picnic party. They head to the garden with their basket of sandwiches and follow the instructions on the note. They find the gnome house with Mr. Gnome's cousin, who gives them a riddle to find the picnic party. They solve the puzzle of the riddle and find Mr. Gnome and all his cousins at the picnic party.

43. Totem Head Mask

Paula and friends are pretending to be jungle animals with their animal masks. They find a totem head mask among the rest, and decide to head to the Jungle to ask Mr. Totem Head about it, since it does not belong to them. Tim attracts a monkey that follows him along the way, because of his monkey mask, which helps them find the clues Mr. Banana Tree has given them

44. Mr. Astronaut's Mission!

Paula and friends are crafting their own space rocks, when a hologram message from Mr. Astronaut appears out of thin air. His spaceship has crashed! Heeding his call for help, they head to Outer Space to aid him in sorting his collection of space rocks while he repairs the ship. He rewards them with a special space rock for their help.

45. Toys for Blue Baron

Paula and friends are sorting out their pile of old toys for donation. Tim discovers his old airplane among the pile, prompting them to look for other sky toys they can donate to Mr. Blue Baron instead. They head to Cloudland and look for him amidst the clouds in different directions using clues from Mrs Cloud.

46. Underwater Treasure

Paula has no idea what she wants to draw for her sea animals picture, when Tim bursts into the room with a bottled map. Deciding that it must be treasure, they head to Underwater World to look for it. Paula tries to find ideas for her drawing during the search. They solve the clues on the treasure map and find the treasure... a secret cove for the sea animals to play in!

47. Pirate Flag

Paula and friends are on an adventure on Treasure Island to discover a real pirate flag from Captain Redbeard. However, Captain Redbeard is missing when they arrive, and he leaves them with a mission to build him a boat and a sail. Will the scheming Captain Redbeard reveal the real pirate flag to the children?

48. A Sweet Shape

In search of a more special shape other than the usual square, triangle, and circle, the children decide to explore the busily populated jungle, where they find themselves interacting with a group of dangerous yet highly efficient flying insects called bees.

49. Let's Make Strawberry Jam!

Paula and friends want to make strawberry jam together. They check through the list of items they need. Since they are left with strawberries and lemon juice to find, they head to the Big Garden to look for these ingredients. They meet Mr. Gnome, who uses his magic to make lemon juice to share with them since they helped him find the fruits.

50. See Saturn

Paula and friends are making a model of the solar system by sticking clay balls of planets. They realize they have missed out Saturn! They want to make Saturn to complete the model, but none of them knows how Saturn looks like. They head to Outer Space to observe Saturn, but they do not know the way.

51. A Real Duck?

Paula and friends are playing a game of "Guess the Toy!" Only the fastest guesser will win the game. During their play, they find a lost duckling instead of their rubber duck, prompting the children to head to the Farm to return it to its family. They learn that some farm animals have escaped! They help the farmer find the rest of the lost animals and return the duckling to its family in the end.

52. Build a Boat

Paula and friends are making a pirate ship out of cardboard boxes. While counting the shapes of the parts on the boat, they find a flag with a picture resembling Captain Redbeard on it. They head to Treasure Island to return the flag, but are accused of stealing it instead. In an effort to prove their innocence, they help build a boat for him.

53. Merchant is Missing

Paula and friends work on a simple jigsaw puzzle, but a missing piece leads them back to the empty, mysterious desert. It seems that Mr. Merchant has gone missing. The children try to get help from a camel and Uncle Sphinx, by figuring out the clues and search the pyramids for Mr. Merchant. Will they get to their desert friend in time?

54. Looking for Leaves

Paula and friends are having fun creating a collage board by collecting different and special items. Billy wants a special-shaped leaf and they decide to go to the Big Garden and ask Mr. Gnome for help. No two toadstools look exactly the same, and that goes for everything else. Are they ready to play a game of concentration to get the maple leaf for Billy?

55. Birthday Surprise

It's Mr. Totem Head's birthday! Paula and friends deliver a fruit basket to him and find out that his Buddy, another totem head, shares the same birthday. Mr. Totem Head tells them that he got separated from Buddy after getting lost. The children and Mr. Totem Head set off to find Buddy and found Buddy's favorite mushrooms along the way. How will Buddy react to his birthday surprise

56. Tim's Tooth

Paula's tooth has fallen off and she got a present from the tooth fairy for it. Tim has a shaky tooth and wonders what he would get for it. However, his tooth falls out, but straight down the sink! The children think that it may end up in Underwater World. But they have a tough task ahead of them. How are they going to find a tiny tooth in the great, big Underwater World?

57. Moo-licious Breakfast

The children settle down for a hearty breakfast when they realize all they have is plain toast. In an attempt to create a more healthy and delicious meal for themselves, they head to the farm, and ask Mr. Farmer for some milk and cheese. However, Daisy Cow appears to be troubled by something. The children come up with funny solutions to cheer her up.

58. Treasures in a Story

Paula and friends are enjoying a story about a group of friends on a treasure hunt, but the story ends abruptly. The last page of the book is missing! They go in search of it on Treasure Island, but someone stands in their way. Will they ever know the ending to their story? What else will they find on the island?

59. The Lost Christmas Present

Paula and friends are decorating their stockings with different shapes for Christmas! Billy finds a lost present in his, which prompts the children to seek Mr. President at the Toy Factory for clues to Santa Claus, whom they believe it belongs to. They meet Glimmer, the elf-in-charge, and help him organize toys into boxes.

60. Let's Find Santa!

With the clues from Mr. President in the previous episode, they head to Candyland to look for Santa. Following the clues, they are led across the chocolate river to the Mr. Candy Cane Man, who tells them where to find Santa. They search for hidden triangles, climb a hill and ride on a sled to an entrance of a cave.
